New Lighthouse Keeper for SGLA

We are proud to welcome Cheryl Jewell as the newest Lighthouse Keeper for the Lighthouse Association. Cheryl and her husband Keith moved from Atlanta to St. George Island last year and love island life. Stop by and see her smiling face at the lighthouse.

St. George Island Lighthouse to Host Florida Lighthouse Association Meeting, May 10 - 11, 2019

Cape St. George Lighthouse and St. George Island is excited to host the Spring meeting for the Florida Lighthouse Association. FLA President, Chris Belcher invites you to attend and enjoy the meeting.

Florida Lighthouse Association (FLA) is proud of the accomplishments achieved by Dennis Barnell and the St. George Lighthouse Association. From the recovery of the Little Cape St. George Lighthouse, its rebuild on St. George Island, and through re-construction of the beautiful keeper's dwelling. What a wonderful setting for showcasing the history of the Cape St. George Lighthouse!

FLA has supported SGLA with grants, beginning in 2005 with \$15,000 towards the recovery and salvage of your collapsed lighthouse, to recently funding exhibits in your beautiful museum. Our mission is to safeguard Florida's remaining lighthouses for future generations by supporting community based restoration, preservation and education efforts.

St. George Lighthouse Association is hosting FLA's spring membership meeting in May. By signing up to attend our meeting, your fees will include a year membership in FLA. What better way to support Cape St. George Light and also learn how we support Florida lighthouses? Registration will begin the end of February. For more information about FLA, visit our website at floridalighthouses.org.

See you in May!

Chris Belcher
President
Florida Lighthouse Association

Name _____

Address _____

City _____

State _____ Zip Code _____

Telephone _____

E-Mail _____

E-Mail is the least expensive way for us to communicate with our members. SGLA does not provide its e-mail list to any other organizations.

Did you know many employers will match your contribution? Contact them and double your support!!

Volunteers are needed to work at the Lighthouse, work as docents at the Museum, help with events, provide technical assistance with computer projects, do historical research, etc.

If you would like to volunteer, tell us your preferences:

Join the St. George Lighthouse Association Today!

The St. George Lighthouse Association was founded in 2004 to promote, preserve and maintain the Cape St. George Light.

When the historic lighthouse collapsed in October of 2005, the St. George Lighthouse Association spearheaded the effort to salvage the pieces and rebuild the lighthouse.

In a cooperative effort involving private contractors, state and local government entities, and hundreds of committed individuals, the lighthouse was reconstructed on St. George Island. It is located in beautiful St. George Lighthouse Park, and opened to the public in December of 2008.

A replica of the original Lighthouse Keeper's House has been built adjacent to the lighthouse, and houses the Lighthouse Museum and Gift Shop. Displayed in the Keeper's House is a replica of the Third Order Fixed White Fresnel Lens that lighted the Cape St. George Light from 1857 to 1949.

Funds raised through memberships, climbing fees, merchandise sales, and other sources help maintain the Lighthouse, the Keeper's House, and the park.

The St. George Lighthouse Association is a 501 (c)(3) non-profit corporation, and your contribution is tax-deductible.

Benefits of Membership

St. George Lighthouse Association members receive the following benefits.

- Free admission to the Cape St. George Light as follows:
 - Student : Member named on card for annual membership term, with Student ID (must be purchased in person)
